Sports Club Presidents Report

As incoming President of the Lameroo Sports Club I feel I am very fortunate to take over from out-going President Andrew Grieger who has done a fine job in restructuring the Sports Club constitution, which now includes the Lameroo Tennis Club. Andrew also leaves the Sports Club committee in an extremely good financial position.

The Sports Club is currently made up of enthusiastic members who are very capable of performing the duties needed to efficiently represent individual sporting groups, which form the 'Lameroo Sports Club'. As a group we are also looking to move ahead and further improve and develop our facilities. The working bee held recently was extremely productive and well attended. Thank you to all who contributed.

We have a number of proposed projects which include relocation of the netball courts to the Tennis courts, installation of a cool room in the bar, installation of a dishwasher in the kitchen, and the on-going forward planning of the Sports Club building.

If there are any queries or thoughts, both positive and negative, I encourage you to speak with myself or a committee member. We are all volunteers, working towards the same goal and open communication is important.

Lynton Barrett
Sports Club President

Social Club Presidents Report

Welcome to the 2011 season! Firstly thank you to last years committee members who put so much time and effort into the social committee. It was another very successful year for the Sports Club. Well done!

This year there is quite a big change in the committee, with some of the more senior members stepping down this season. The new members bring enthusiasm and new ideas. Thank you to all for joining to committee this year. This years office bearers are:

President: Stephen Kerley

Vice Pres: Josh Ridgway

Secretary: Jess Kerley

The Social Committee is here to raise funds for the club so we can continue to enjoy and expand the great facilities we have.

Early on in the year we have the 100 Club Theme Night, which always proves to be a great night. Make sure you purchase your 100 Club membership at a small cost of \$5, where you will go into the draw each home match to win \$50 cash. The membership will also give you special discounts and extra draws at the 100 Club Theme Night. There are many other exciting events planned for the year including 'Miss Hawk' and a 'Comedy Show' so keep an eye out for details.

It's on again... The bi-annual Auction Dinner will be held on Saturday 23rd July. We are eagerly seeking donations/ideas for items that could be auctioned on the night, so if you have any suggestions, or contacts, please let a social committee member know. Also start organizing your table as this ever popular event quickly becomes booked out.

As always, we are all open to suggestions or ideas you may have for the Sports Club so please feel free to speak to a social committee member.

Don't forget to checkout the website www.lameroohawks.com.au for results, photos, and other information. GO HAWKS!!

Football Club Presidents Report

Welcome to the 2011 Football and Netball season, particularly those of you who are new to our club. Our general committee members remain the same as in 2010 with the addition of Scooter Kerley as the Social Committee Rep. We have appointed Shaun Walker as our A Grade coach and Vaughan Noonan as his assistant. Vaughan played several years with Walpeup/Underbool where he had much success both team and individual. As we have up to fourteen players based in Adelaide Shaun is running trainings twice a week with players from three other country clubs also attending. Mark Trowbridge and our reappointed reserves coach Cat Purdie have been taking home trainings on Monday and Wednesday's. Once a month all players train together at Tailem Bend which have so far been well attended and very worthwhile.

We also welcome Dan Wohling, Shane Agelis and Duane Simon back to our club, together with new players Joel Lewis, Ben Moffat and Ben Lock. These six plus Shaun and Vaughan will add tremendous skill and experience to our great list of youngsters who battled manfully last season.

Our Junior and Senior Colts sides will again be led by the successful duo of Mo Sherman and Tim Brown and Craig Zerk will continue his great work with the Auskick kids.

With most sides recruiting well over the summer I expect this season to be very competitive and of a higher standard than that of recent years.

Thank you to all those, who have taken on roles as committee reps, managers and many other important positions this year. Without your support our club wouldn't run as successfully as it does.

We encourage all our past players and members to come along regularly and support all grades in 2011, which promises to be a very competitive competition.

Ric Ridgway
Football Club President

Football A Grade Coach Report

It's hard to believe that footy is back for another year. For some it may feel like a long time coming for others it may feel like we have just finished our summer sports.

Firstly it is great to be back at Lameroo as a player and as a coach. I thank the club for the opportunity which I have been given as the coach for 2011. My assistants for the year will be Vaughan Noonan, Mark Trowbridge who has done a great job thus far in taking the sessions at Lameroo and Rocket Maynard, who will be assisting match days.

Pre-season started early for us this year, we began training in December. From January onwards we have been training twice a week, Monday & Wednesday, with healthy numbers both nights. The Lameroo players have been training at Telstra Oval whilst the Adelaide guys have rotated in-between Flinders Park Football Club and West Beach Softball grounds. Due to the amount of our guys based in Adelaide for either work or study, we have incorporated a session at Tailem Bend Oval once a month to enable both the Lameroo & Adelaide based players to train together. This will continue throughout the year and will assist us in improving as a team.

New Players which have come to the club this year include Vaughan Noonan (Whale), Dan Wohling returning from (Nuriootpa), Shane Agelis returning (PHOS Camden), Joel Lewis (PHOS Camden) & Ben Moffat (Blyth Snowtown). We welcome these guys and there partners & families to the club. We hope you enjoy the year footy wise and socially.

We have been lucky to have kept the bulk of the playing group from last year; this with the addition of the new guys makes us a very competitive unit. I am expecting more improvement out of the younger guys again this year; Billy McNeilly, Travis Hancock & Tom Caulfield have all had good pre-seasons. Mark Benham & Josh Ridgway are fitter than ever and even the more senior blokes are looking as though they have an extra spring in their step.

We have set our goals for the year and we hope to fulfil these as the season progresses. We have given ourselves the best possible chance to achieve these goals by the work we have done already, however this means nothing if we can't take it out onto the park. We need to stay committed to each other as a playing group on and off the field.

I look forward to the upcoming season, may it be an enjoyable and successful one for both Football and Netball in all grades.

Go the Hawks!

Shaun Walker
A Grade Coach

Vice Presidents Club Report

NETBALL - The 2011 season is upon us and our netball squads have been working hard.

The Lameroo Netball Club committee and members have again decided to run the "Vice Presidents Club" for the netball supporters. This club is suited to both past and present players of the Lameroo Netball club and supporters who just want to show their true colours of the club.

As we have seen it's a great way for all the supporters to get together, especially at home games, to enjoy a champagne or two or even a 'morning cuppa', to enjoy each other's company and to watch our favourite hawks in action on the court.

All the teams have been working hard and our teams have been well prepared for the season ahead there will be some great contests throughout the season so come along and join us and become a member of the Lameroo Netball Vice Presidents Club.

A standard Membership will cost \$50 and member benefits will include:

- 1x free Champagne/soft drink per home game (on presentation of Membership card)
- 1x free drinks & nibbles during A,B or C Grade Netball game
- 1x Morning 'Cuppa' during the E & D Netball game

FOOTBALL - In 2011 the Lameroo Hawks are continuing to run a Vice Presidents Club.

The Lameroo Hawks Football Club is a very successful club with the coaching staff and players driving the success on the field. However, the off-field success is measured by the support and generosity of past players, supports, sponsors and volunteers. The Vice Presidents Club's desire is to bring you all together, particularly at home games, to enjoy a drink and each others company and to support the Hawks' flight towards premiership glory. Without the off-field support that we receive, the Club would not survive.

The benefits of joining the Vice President's Club include:

- Official Lameroo Hawks Vice President's Club polo shirt in the Club colours (ordered and sized once signed up)
- One free beer, wine or soft drink at each home match upon presentation of your Club Membership Card
- 2 free barbecues held at the half-time break of A Grade footy (times to be announced)
- Lameroo Hawks Vice Presidents Club stubby holder for all new members that weren't signed up last year
- Official Lameroo Hawks Vice Presidents Club Membership Card
- Members-only raffles - 1 at each barbecue. You have to be present to win!
- Members-only newsletter
- Voting rights at the Annual General Meeting

However the best benefit for you is knowing that your contribution is assisting and supporting the future of the Club.

Membership for the 2011 season will be \$55.

If you have any queries or wish to become a member, please contact Brad Zerk on 0408 814 110 or email bkzerk@bigpond.com
