## Sports Club Presidents Report

Congratulations to all teams on your efforts and results last year! What a fantastic year the football and netball clubs had with 8 out of 9 teams playing in the grand finals and 5 teams achieving the ultimate with premierships. Well done to all involved!

Amalgamation of the separate bodies that make up the Sports Club is nearing completion, with just a few by-laws still to be worked through.

We plan to start running as one financial body from November 1<sup>st</sup> 2010, this being the start of our new financial year. Thanks to everyone involved for your input.

We are very short of Auxiliary club members so if you could help in anyway possible please let us know.

Planning for the improvement of our sports club facilities continues, especially in regard to increasing space for home game crowds and club functions, extensively upgrading the kitchen, and building indoor toilets. There has been overwhelming support to upgrade our facility and we are currently receiving input from various clubs as to how best to revamp our facilities. It is not to late for fresh ideas, so please keep them coming!

To the Social Club and the Auxiliary, thankyou so much for everything you do. We as a sporting community would be totally lost without you. You do a marvellous job and your efforts are appreciated and enjoyed by all. Thank you.

A big thank you to all the committee members involved in the different clubs. Your time and efforts are greatly appreciated.

Please feel free to contact myself or any committee members if you have any questions or would like to discuss any ideas or plans for the sports club.

All the best for the 2010 season!

Thank you,

Yours Truly

*Andrew Grieger*

## Football Vice Presidents Club Report

In 2010, the Lameroo Hawks are continuing to run a Vice Presidents Club, with the new Vice President of the Club being Rodney Maynard.

The Lameroo Hawks Football Club is a very successful club with the coaching staff and players driving the success on the field. However, the off-field success is measured by the support and generosity of past players, supporters, sponsors and volunteers. The Vice President Club's desire is to bring you all together, particularly at home games, to enjoy a drink and each others company and to support the Hawks' flight towards premiership glory. Without the off-field support that we receive, the Club would not survive.

The benefits of joining the Vice President's Club include:

- One free beer, wine or soft drink at each home match upon presentation of your Club Membership Card
- 2 free bbq's held at the half-time break of A Grade footy on the 15<sup>th</sup> May & 24<sup>th</sup> July
- Lameroo Hawks Vice Presidents Club Stubby Holder
- 10% off the price of 1 article of Club clothing purchased in Season 2010
- Official Lameroo Hawks Vice Presidents Club Membership Card
- Members-only raffles – 1 at each bbq. You have to be present to win!
- Members-only newsletter
- Voting rights at the Annual General Meeting

However the best benefit for you is knowing that your contribution is assisting and supporting the future of the Club.

Membership for the 2010 season will be \$50.

If you have any queries regarding the Vice Presidents Club, please contact Brad Zerk on 0408 814 110.

## Social Club Presidents Report

Well 2010 season is upon us already! Thank you to last years committee members - it was another very successful year for the Sports Club. Well done!

This year the committee has a few new members, and with new members comes new ideas. Thank you to all for joining to committee this year. This years office bearers are:

President: Stephen Kerley

Vice Pres: Josh Ridgway

Secretary: Sophie Phillips & Jess Burdett

The Social Committee is here to raise funds for the club so we can continue to enjoy and expand the great facilities we have.

Kicking off the year's entertainment is the players auction at the first home match (organized by the footy club). Other things to look out for include 'big' screen footy, social club 'grass roots' party, cocktail night, sumo wrestling, games night, bands and the always popular mouse cup. We've tried to provide an even mix of entertainment for all the family to enjoy.

We are again this year hosting the 100+ Club (member of the social club), where you will go into the draw each home match to win \$50 cash. Once again we will hold a social club member theme night - Grass Roots, which includes drink discounts for members, so be sure to purchase a membership to join in on the fun. Keep a look out for more details.

As always, we are all open to suggestions or ideas you may have for the Sports Club so please feel free to speak to a social committee member.

Don't forget to checkout the website [www.lameroohawks.com.au](http://www.lameroohawks.com.au) for results, photos, and other information. GO HAWKS!!

## Football Club Presidents Report

As the new president of the Hawks Football Club I welcome you all to the 2010 season, particularly those of you who are new to our club, I'm sure you will have no trouble fitting into our family oriented club.

We have a "new look" general committee in 2010 with seven new faces on this years executive. Geoff Chinner, our Treasurer and Tony Secomb, this years Junior Vice President are our only remaining members from the 2009 committee. We are very fortunate that Kate Venning has taken on the secretary position.

Rodney Maynard is this years Senior Vice President and other new faces are Brad Zerk, Mark Trowbridge, Matt Abbott and Adam Berwick. We intend to continue the excellent tradition of those who have run our club in the past and sincerely thank Strawb Walker and his team for their great service over the last 3 years.

We also have new faces on our coaching staff. Craig Zerk is taking on the Auskick kids which will no doubt keep him on his toes. Mo Sherman and Tim Brown are sharing the coaching duties of both the Junior and Senior Colts. Gary Purdie has moved from the Senior Colts to the Reserves and Taffy Hancock continues as A Grade coach with the assistance of Rocket after his successful debut season in 2009.

Our senior sides have lost several experienced players and we will be fielding a very young A grade side in 2010. I expect a number of other A Grade sides to show improvement from 2009 and it will be a very competitive season.

I wish all Hawks Football and Netball coaches, teams and support staff the best of luck for a successful season both on and off the field.

*Ric Ridgway*

## Football Coaches Reports

### A Grade

G'day Hawk followers,

Well what an exciting end to 2009 with both the A & B grades going Back To Back. Who would have thought? Only the Lameroo faithful that's who!!

As I said last year if everyone is committed to success then success will come! This year we have lost some great talent in co-captain Walks and Benny G and co but, with what I'm seeing at training's there is some good talent coming through the ranks, committed and wanting to Play A grade footy. So with this in mind success is not beyond us again in 2010 and probably the less we're rated and respected by the other clubs and journo's the better!!

I wish to congratulate the Netball club on their successes of last year, and all the very best for 2010. Also a big wish of Good Luck to Benny G as he resumes his league career at SANFL Eagles, under the guidance of ex local talent Mick Godden, (another success story from our league)

Also people hope you all get behind your clubs, don't just be barrackers! Become supporters by paying memberships then you will also be showing Commitment to a Great Club in 2010!!!

Cheers

*Taff Hancock*

### Reserves

Welcome to 2010!

I would like to thank the committee for the opportunity of coaching the B Grade this year. Well done to Trowy for the success and enjoyment the guys have had in 08 & 09. I hope to be able to continue this for the 2010 season.

The team may have a bit of a different look here and there as we try some other players and the young kids coming up out of the colts should continue to provide our team with some more speed.

We hope to see more out to training as there seems to be plenty of competition for positions. Best of luck to all the netball and football teams and lets have another successful year on and off the field.

*Cat Purdie*

## Football Coaches Reports

### Under 16s and Under 13s

Welcome to another year of football which has come around very quickly. This year Mo Sherman and I have taken on the roles of Under 13 and Under 16 coaching roles jointly so between us we're committed to getting two very competitive teams on the ground each week.

Numbers at training have been good and their enthusiasm terrific. This year we have around 20 junior colts and 8 senior colts plus 7-8 college kids that will play with us at various stages throughout the year. So if you do the sums this means a few of the junior colts will get plenty of football this year and we are sure they have the ability and commitment to do this.

We welcome some new faces to our footy club, Tom Davidson, Ben and Scott Hannam and I'm sure these boys will fit in well and be great assets.

We would also like to thank all parents and helpers that take on their duties for the year as your support is greatly appreciated by the players.

Please feel free to contact Mo or myself if you have any concerns or queries regarding the year ahead.

We look forward to a sensational year and good luck to all football and netball teams.

*Tim Brown & Mo Sherman*

### Auskick

2010 has begun well with 12 Auskickers to our first training and I hope this will continue throughout the season.

All the Auskickers young and younger are very eager to show all of us what they can do. This is pleasing to see that they are interested in the game, and hopefully eager to learn as well.

We have lost 4 Auskickers to Under 13's and moving away but we have picked up 4 new players also.

I encourage parents to not only attend training with their kids but also come to both home and away games if possible.

This year is about fun and football basics, and I look forward to an enjoyable year both at training and also on game day.

*Craig Zerk*
